The SHS Close-Up Club, under the leadership of Ms. Marvalyn Henderson, consist of twenty-two students who participate in a variety of fund raising activities to off-set the fee required for the Close-Up expense. Some of the fundraisers include a rummage sale, a walk-a-thon, a car wash, summer school concessions sales, Mother's Day flower sales, poster sales, candy sales, calendar sales, and concessions stands at football games.

This year's Close Up experience will cover the week of January 19-26, 1985. The highlight of the week will be the inauguration of the President of the United States. As a result this will be a most rewarding and historical experience.

THE TERRIFIC TEN

The Southwood "Terrific Ten" cheerleaders, under the sponsorship of Jeanette Shelton and Margaret Simms, led S.H.S. through another fun-filled year. Headed by Cathy Bailey; the group was known for their exciting pep rallies and lively dance routines. The squad attended NCA camp at SMU, and returned with the Spirit Stick, the Super Squad Award, and many new cheers and chants. The group held several fundraising projects, including three one week clinics for over 100 young cheerleaders in the community. The Terrific Ten helped S.H.S. have a terrific 1984-85 school year.

On the following pages, candid photos of the cheerleaders are shown. Tiffany Murphy was the mascot for the 1984-85 school year. At the top of page 100, Mrs. Shelton and Mrs. Simms are shown. At Homecoming, last year's squad cheered with this year's cheerleaders — this picture is at the top left corner of page 101. The other pictures are various candid photos taken at pep rallies and games.

S.H.S. COWBOY

Randy Miller was the S.H.S. cowboy for 1984-85. Randy helped the cheerleading squad promote spirit during pep rallies and ball games. During camp at SMU, he captured a Superior Mascot Rating and was a runner-up in the NCA Super Mascot Competition. All throughout the year, Randy proved to be a vital asset to the squad and worked diligently to uplift the cowboy spirit.

The Chapparrelles boosted the Cowboy Football team to a victorious season — advancing to the state championship playoffs. They were an essential part of the winning combination, contributing posters and spirit to every game. The pep squad performed at half-time with routines to "She Works Hard for the Money," and "On Broadway." Led by Marshalls, Stephaine Smith and Susan Bamburg, the group also appeared before each game in the traditional boot. For the ninth year, Mrs. Betty Jordan sponsored the Chapparrelles.

SOUTHWOOD AIMED FOR

Southwood's 1984 baseball team played to a three way tie for district championship, sharing the honor with Huntington and Woodlawn. The very successful 13-10 Cowboys were led by Joe Ehrhardt, coach, and Andrew Morning, assistant coach. The pokes fielded a well-balanced team this year with excellent talent in all categories.

Starting pitchers were Danny Jones, Chris Parman, Bob Mitchell and Ronnie Pettis. The teams leading hitters were Mike Jones and Joe Liles with batting averages of .424 and .369 respectively. Larry Hampton, Lance McDowell, Richie Graham, and Bubba Barry were singled out by Coach Ehrhardt for their defensive contribution to the teams success.

Following the regular season, Southwood defeated Huntington for the right to play Ouachita in the North Louisiana Regionals. The cowboys ended their season with an exciting but disappointing 5-4 loss to the powerful Ouachita Lions.

TEACHING, DIRECTING, LEADING

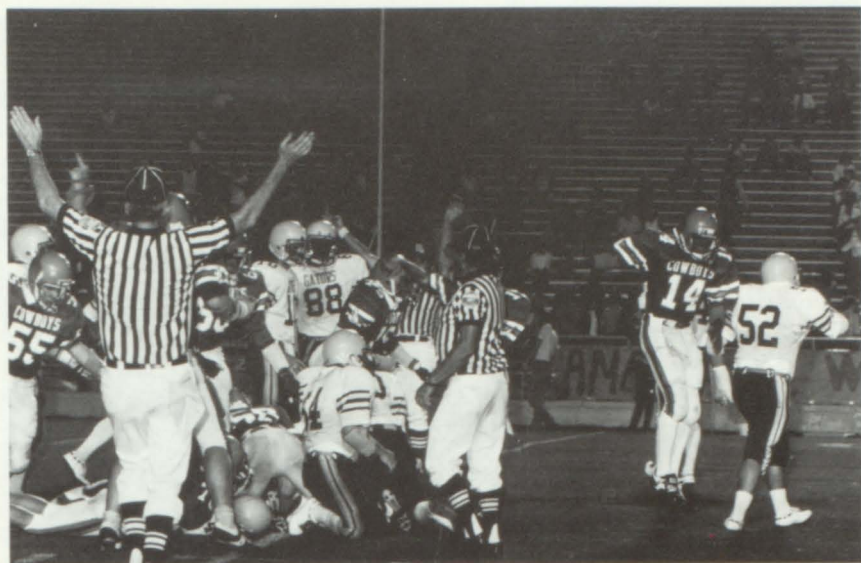

Texarkana

In the first game of the season, the Cowboys came up on the short end of a 21-14 score in a penalty marred game. The teams were tied at 7 with one half to play but a late interception thwarted the comeback.

Airline

The pokes came out strong in another heavily penalized game. Lance McDowell hooked up with Brian Bell for two touchdowns and Southwood came out on top 14-7.

Capt. Shreve

The Cowboys revenged a last season loss by defeating the fifth ranked Gators 21-7. Both the offense and the defense played exceptional games.

Bossier

Against the Bearcats, the Cowboys had a real battle on their hands. The two teams exchanged scores in the first half and the Pokes made a sensational comeback in the fourth quarter to win 27-21.

PARKWAY

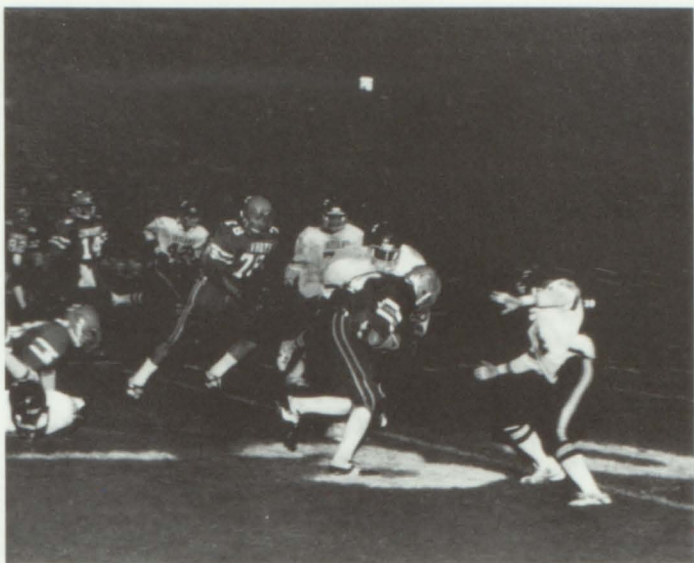

On the Cowboys' first play from scrimmage, Rod Dixon ran the reverse 42 yards for a touchdown. That set the pace for the game as the Pokes scored three more times. Ronnie Pettis scored on a 3 yard run, and McDowell hit Bell for two more, one for 14 yards and the other for 29. Bell had a good night with four catches for 66 yards. The defense, led by Paul Morgan, who had 2 sacks, allowed just 133 total yards. Final score: Southwood 26, Parkway 7.

HUNTINGTON

Southwood slowed the Raider offense, but the Cowboys failed to overcome the swarming Huntington defense. After leading 7-6, following a Lance McDowell to Nathan Blake touchdown pass just before halftime, a deflected Southwood pass resulted in an early second half touchdown for the Raiders. The Pokes retaliated as McDowell threw a quick sideline pass to Rod Dixon who then outraced a defender on a 70 yard TD sprint. Huntington then scored again to bring the final margin to 18-13. Southwood's final valiant effort was thwarted by the clock and Huntington's aggressive defense as McDowell's last-second desperation pass was just over Ronnie Pettis' fingertips. Final score: Southwood 13, Huntington 18.

FAIR PARK

Ronnie Pettis started off the scoring for the Cowboys eight minutes into the game on a 1 yard run. After an interception by Roderick Dixon, McDowell connected with Brian Bell on a 20 yard scoring strike. After Fair Park scored to make it 14-6, McDowell hooked up with Bell and Pettis for two more touchdowns to make the lead 27-6. That score lasted all of 20 seconds before linebacker Chris Huen hit the Fair Park quarterback for a safety increasing Southwood's winning margin to 29-6. The Indians were held to a mere 38 yards rushing on 32 carries.

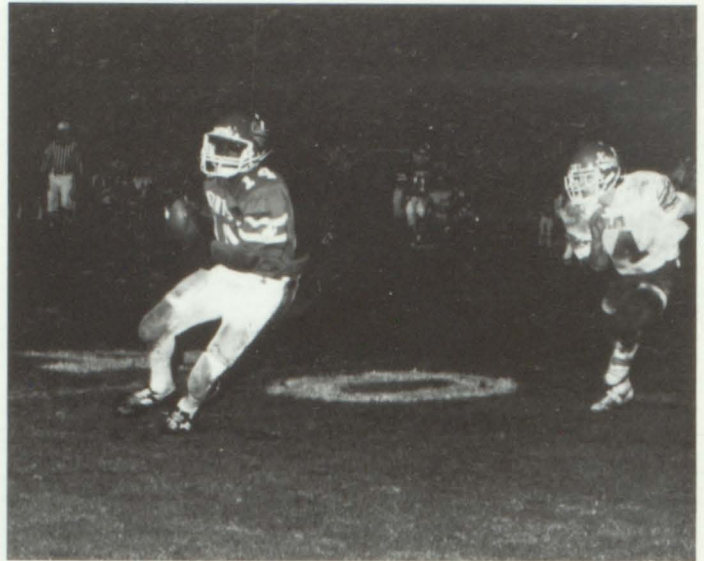

B.T.W.

The first half was all defense, the second, offense. Only a minute was left in the first half before Lance McDowell hit Ronnie Pettis for a 39 yard TD pass. Bo Gregory excited Southwood fans by starting the second half with a 42 yard interception return for a touchdown. McDowell then hit Bell for a 21 yard TD pass, and Shane Stegall scored on a 5 yard touchdown run, both in the fourth quarter. The defense allowed only 7 points and stopped the Lions when they had to. Final score: Southwood 27, B.T.W. 7.

OUACHITA

Southwood opened the contest with Ronnie Pettis scoring on a 5 yard run in the first quarter. A period later, Rod Dixon doubled the Cowboys' advantage with a 45 yard interception return. The Lion scampered roaring back on a 96 yard kick off return for a touchdown, but the Cowboys soon answered that score with a Shane Stegall 15 yard scoring run. The Lions were not finished, though, and scored twice more, the second with only seconds left on the clock. The Lions went for a two point conversion to win, but the Cowboy defense stiffened and held them short. A Chris Parmen kick proved to be the difference in a 21-20 Southwood victory.

WOODLAWN

In the game that is considered the premiere rivalry in the city, Woodlawn battled to a 10-0 halftime lead over the Cowboys. As the second half started, Lance McDowell hit Brian Bell with a 14-yard scoring strike to narrow the score to 10-6. The Knights then answered with a touchdown pass of their own. The Cowboys then drove 64 yards on 14 plays to paydirt as Shane Stegall plunged for the final yard. McDowell then hit Shane for the two point conversion. A few costly miscues by the Cowboys and a time consuming ball-control offense by Woodlawn limited Southwood's final scoring efforts to a safety. Final score: Woodlawn 17, Southwood 16.

RUSTON

Southwood was pitted against a strong Ruston team in the first round of the state playoffs. The game began as a defensive struggle before the Bearcat offense began rolling to a 21-0 half time lead. Cowboy offense managed two touchdowns in the second half — one on a one yard run by Shane Stegall, and one on a 79 yard Lance McDowell-Brian Bell connection, but these scores were just "too little and too late." Southwood was eliminated from the playoffs by a decisive 41-13 margin. The formidable Ruston team, incidentally, advanced all the way to the state AAAA championship game.

The 1984-85 Pokes

THE SOUTHWOOD COWBOYS had a very successful season in 1984-85 defeating such teams as BTW and Haughton. Head Coach Scott Long was very proud of his team and their winning attitude. This year's basketball team had good senior leadership, graduating such players as Lance McDowell, Richie Graham, Kenny Johnson, Rodney Jeter, and Ira Hill.

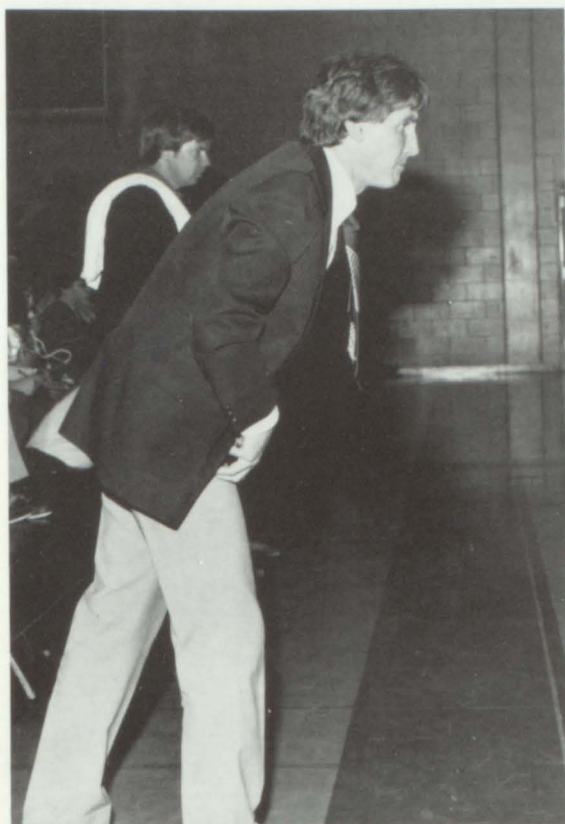

Coach Long's goal for the pokes was to develop a sense of pride and team spirit through hard work. He reportedly felt that the team had transitioned well under his new leadership and that the team had ample reason to look to the future for greater achievement.

Perils of a Freshman

What a way to start off your first day of school . . . being late! Of course, when a freshman finally gets to a big school, like S.H.S., he will sometimes have many different encounters. You can never find your way to first hour, so there's a Z-guide to help you; but you'll end up being late anyway because of that one football player who doesn't want to strain his arms by carrying books. If you don't do as you're told, sometimes those seniors do get a little angry and they just have to put those freshmen where they belong: in the trashcan, wondering what could possibly happen next! Then, just as you're ready to call it quits and go back to junior high school, the girls come through with a little "pick-me-up." (Wonder what kind of cologne he was wearing!)

Cheerleaders, the band, spurs, auxiliaries, and the fans — a conglomeration of supporters for the mighty Southwood Cowboys! Through all types of weather, they were there . . . in F-Section, doing the "Gigolo" and just plain going crazy. The tradition of dressing up in wild outfits was carried on again this year with a few insane students going to the extreme. Parents even got into the act, yelling and screaming at referees who made those "bad" calls during any sport, especially football. It didn't really matter whether we won or lost — we were there every game cheering our players on, knowing that Southwood had the most force behind the spirit.

STEADY AT THE HELM

Mr. Leonard W. Hennigan, Principal

Administration of a large urban high school is listed among the world's most demanding jobs. Many aspects of the job are obvious, visible, and easily appreciated, but there are also many characteristics of a good principal which are less visible, more nebulous, and, unfortunately, largely unappreciated by most.

Here at Southwood we have the best of both sides — a principal and administrative staff capable of efficiently handling all the routine matters involved in running the school, yet caring and sensitive enough to student needs to help them mold their dreams and find their silver linings. Finding funds to pay for the many extras and classroom enrichments, enhancing our environment through quadrangle landscaping, and providing student achievement/leadership opportunities by chartering a Beta Club chapter are only a few initiatives which are so characteristic of the leadership and administration at Southwood.

GRADS

WE'RE PROUD OF YOU!

You've worked hard for this day, but now that you've made it, it was worth it. Now you're just about ready to go out into the world and begin a new life. There are so many options like finding a career, going to college, or joining the service that it will be hard to make up your mind. Be Choosy.

Selecting each student who attends Centenary College is one of the most important decisions we make.

Our students are achievers; they are motivated to succeed in challenging scholastic programs.

They are leaders, shaping and directing a wide variety of extra-curricular activities.

They are open to new ideas and talk frequently and freely with faculty, staff, and peers.

They are fun-loving — they reach out, care, and take a personal interest.

Selecting the right college may be one of the most important decisions *you* will ever make.

Be choosy.

We are.

Do you need a reason to join the Louisiana National Guard?

Well, here are some very good incentives - -
FREE COLLEGE TUITION:

State law provides exemption from tuition payments in all state supported Colleges in Louisiana for all active members of the Louisiana National Guard. This exemption may be claimed for five (5) separate years or until receipt of bachelors degree, whichever occurs first.

\$1500 ENLISTMENT BONUS

or

\$4000 IN EDUCATIONAL ASSISTANCE

High school seniors and graduates who enlist in certain National Guard units may receive a \$1500 enlistment bonus, or \$4000 in educational assistance.

SPLIT TRAINING PROGRAM

Split training means that your Basic Training and Advanced Individual Training in the National Guard (which must be completed within a twelve (12) month time frame) can be staggered to fit your personal schedule.

For example, you can take Basic Training the summer of your junior year. Consider it a paid full-time summer job. During your senior year of high school, you will go to the monthly National Guard meetings. Consider it a paid part-time job. Then you can take your Advanced Individual Training the next summer, be paid for that too, and be home in time to attend college, business or vocational school in September. That's two summers of full-time employment, and two years of part-time employment.

It's finally "our" turn to walk down the aisle and across that stage. Was it really four years ago that we felt small and outa' place because we were just "little freshmen"? Or was that my imagination because I was only 4'8"?

We're all now a little older (seniors!!) a little smarter (as long as we don't look at our report cards), a little taller (that's for me — 4'11"), and a lot happier (because we've finally made it)! So much time had passed and so many things had happened . . . pep rallies; football, basketball, and baseball games. All those dances (Sadie, Homecoming, Prom, etc.) Mr. Larance's "famous" research papers unexcused absences and tardies. The Einstein Award, which Natalie Hollifield and I took turns receiving; and oh! how can we forget Scotty Deck's "Scout!!"

Hey you SFL'ers! Betcha thought I'd forgotten you, but I didn't. Those tournaments — the fun, the guys, the competitions — were the best. Does anyone remember who said, "Let's go get the guys!" or "It was a Bad-d-d trip," or even "Egads!!!?"

It was a 12-year struggle, sometimes uphill and not at all the times downhill, but it was worth it. It's time now to switch our tassels from the right to the left, and I hope in the years to come, we'll all remember that moment with a smile — and the cliché that we're —

Michaelis
Editor-in-Chief*

It has been a great pleasure and one of the highest honors given me to serve as editor of the 1984-85 ROUNDUP. You, the faculty and the student body, have made this yearbook indeed a great one. It was with your cooperation, originality, and endeavor to carry out our theme, "Reaching for your dreams," that has brought us a little closer to our goals.

I wish to thank the faculty and student body for their support, for without them this yearbook would not have been possible. I would especially like to thank Mrs. Mary Howard and the ROUNDUP Ad staff for their outstanding work with the ads and circulation. I would also like to thank Mr. David Mauldin and his staff for their superior photography and helpful suggestions along with Bill Oliver and Taylor Publishing Co.

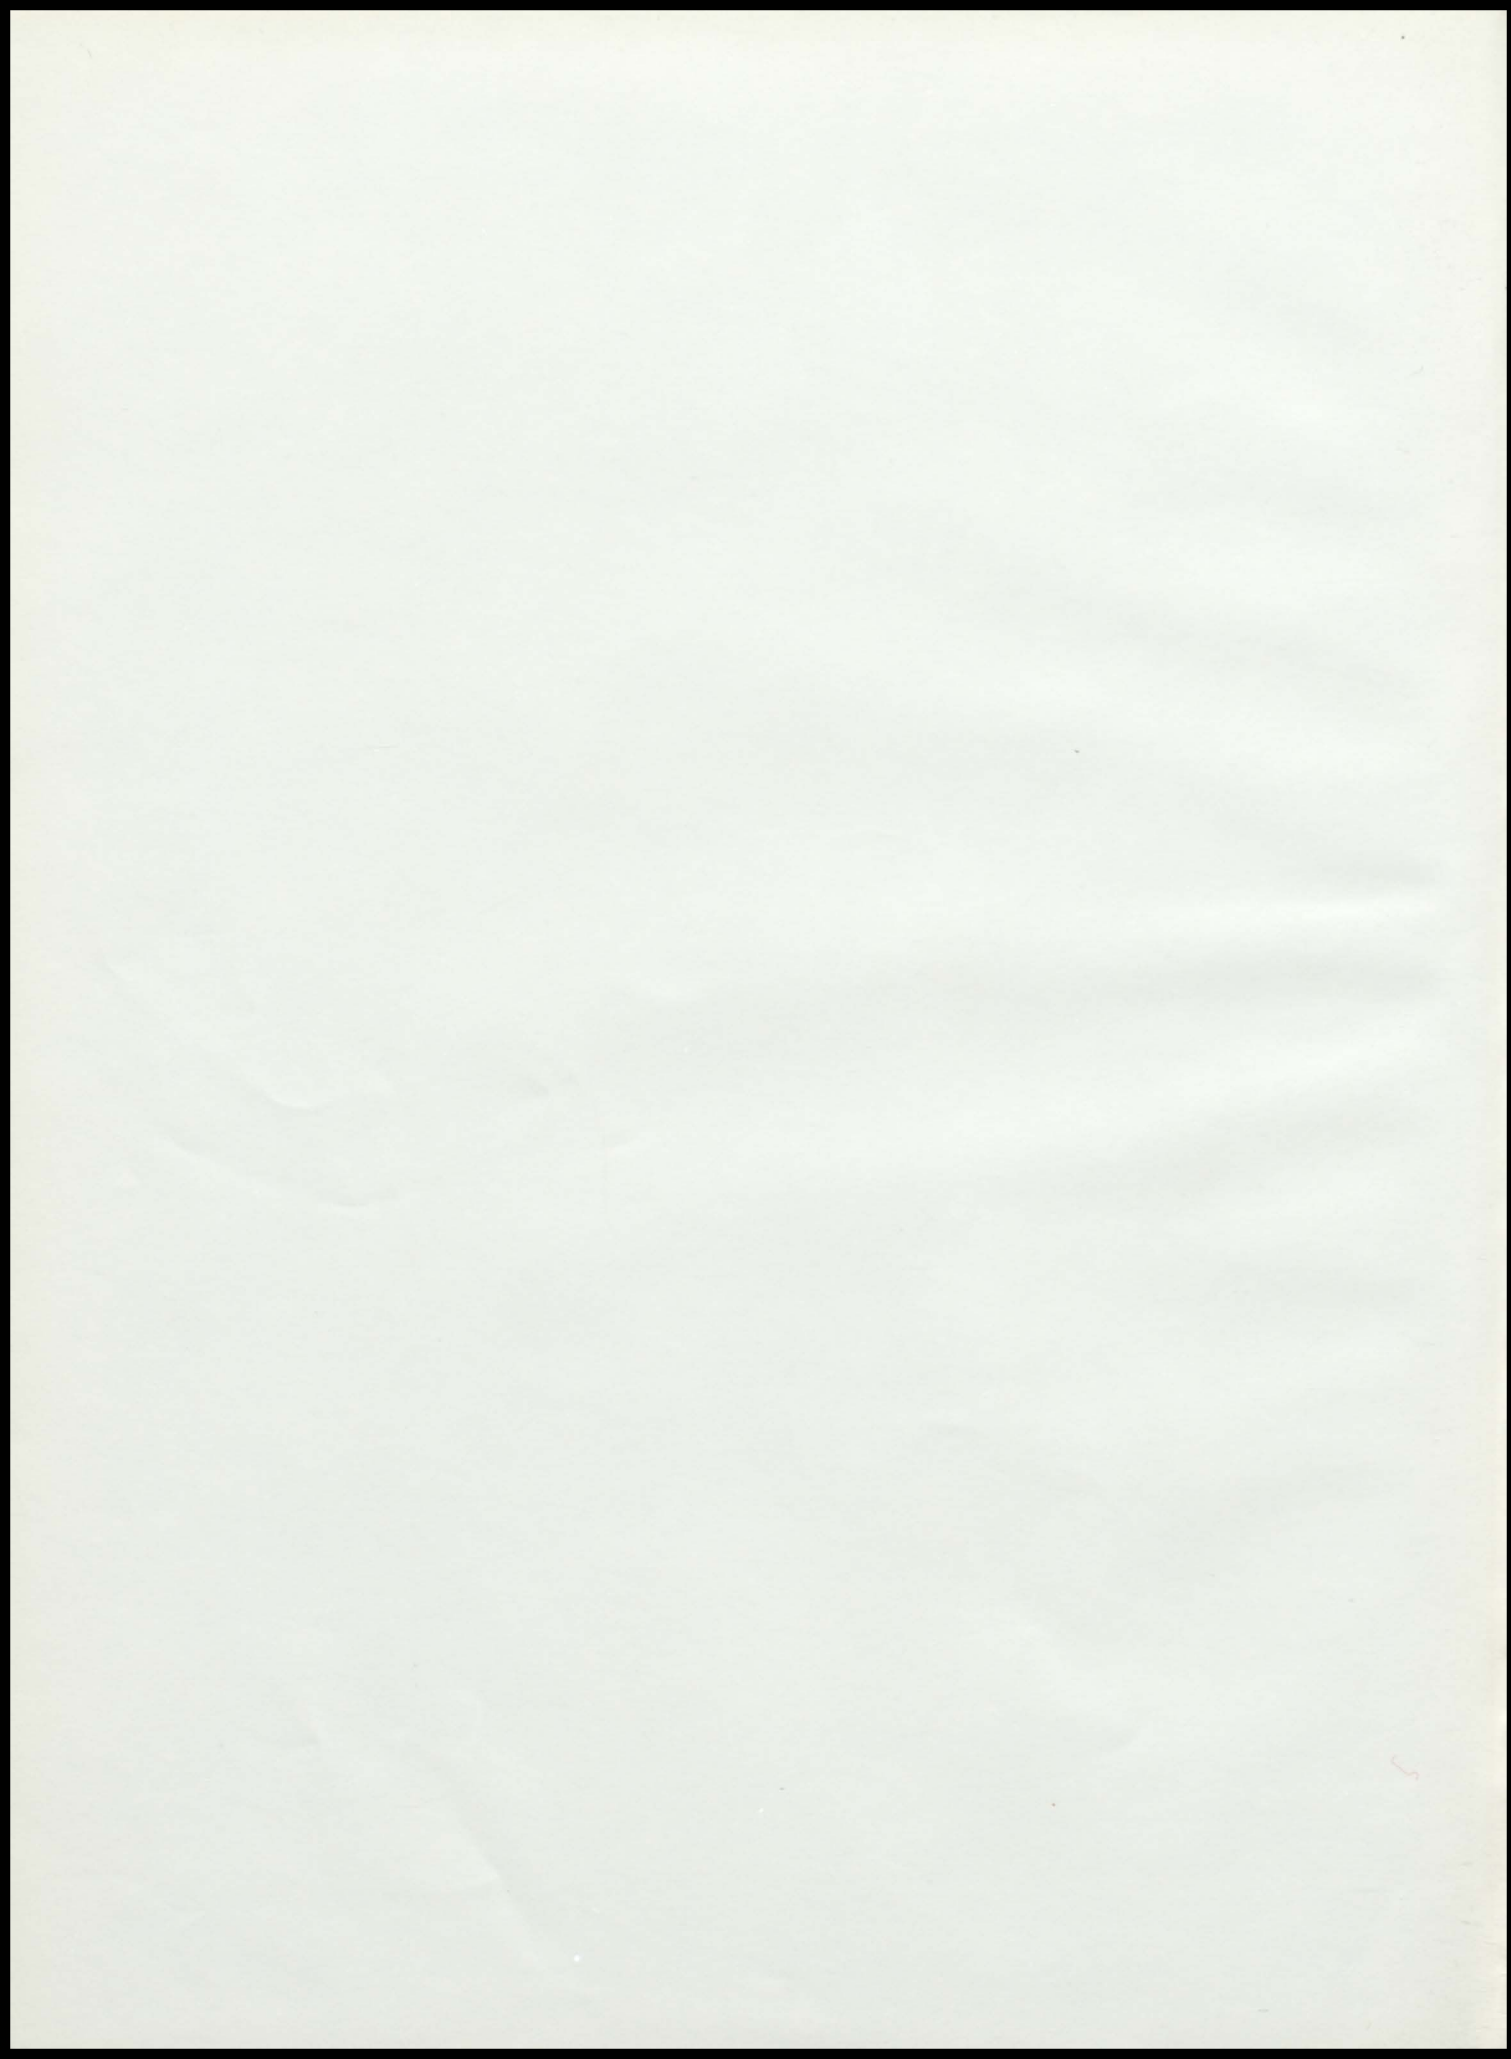

A very special thanks to our advisors, Mrs. Nina Morrison and Mr. Ottis Fletcher, and the entire Editorial Staff for their patience, assistance and creativity in making this yearbook something exceptional.

I hope that in years to come this book will be an old friend recalling pleasant memories!
